Doors for vendors open by 8 A.M. The day of the event or they can set up the evening before with advance notice. Please have vendor area set up by 9:30 A.M. for those early arrivals. All vendors should plan on providing their own table, except those who request an outside spot in the Pavilion. ALL vendor areas will have access to electricity.

Special Activities:

\*Each vendor will receive a bag of Easter eggs to hide in their room for children to find. Eggs may be hidden in the vendor area or placed on display for children to collect. It is suggested that vendors limit how many eggs children can "find" in their area, as children will be limited to a total of 10 eggs. Please remind parents that eggs need to stay sealed until they are opened in the prize area. Eggs will be hidden around the yard and pavilion as well.

**Other activities include a bake sale, petting zoo, and pictures with the Easter Bunny!**
